YL Schools Discuss Unification

YORBA LINDA—The problem of unification of the Yorba Linda Elementary School District was discussed Thursday evening by the district board of trustees.

Superintendent Sterling Fox stated that the services or Dr. Carpenter as a consultant on the issue had been retained. It was generally felt that he would prove an asset in this role having acted in that capacity for the Los Angeles district for twenty-five years.

Trustee John Middleton outlined what he felt the board's responsibilities and primary considerations should be including the maintainance of a high standard of education; working with city governing bodies; examining communities that have already undergone unification; and a study of the political aspects of the topic.

It was agreed that a citizen's committee should be set up which would act as a sounding-board for community reaction to each plan and alternative.

Further board action on the matter was delayed until the next meeting on January 28.

Kraemer Blvd. Named NOC Biggest Carrier

PLACENTIA — According to recent information released by the Orange County Road Department, Kraemer Boulevard handles a greater traffic load than any other major artery in North Orange County.

During a 24 hours period, 16,000 cars are carried at its La Palma intersection, and 15,000 just north of the Yorba Linda intersection. Kraemer carries 13,000 cars just south of the Yorba Linda intersection.

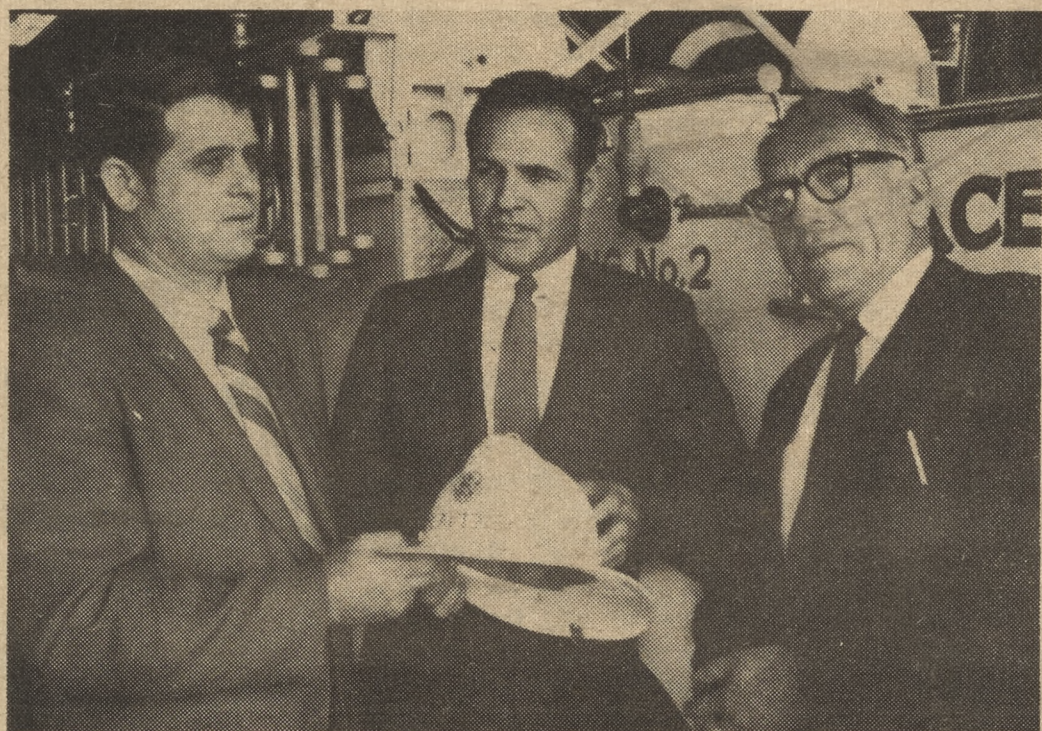

Library Board Extends Loan Period For Books

PLACENTIA — Overall procedures and time schedule changes for 1971 were approved at the meeting of the Placentia District Library Board of Trustees on Monday night, January 11.

Henceforth the board will meet on the second Monday of the month instead of the first. This change allows for all monthly receipts and disbursements to be available at meeting time, stated Mrs. Louise Tracer, head librarian.

As of February 1, the Library will close on Friday at 6 p.m., but will remain open on Saturdays from 10 a.m. to 6 p.m. Former closing time on Saturday was 4 p.m.

Another major change adopted included a longer check out time

Chief Kenneth Staggs, left, Brea Fire Department and immediate past president of the Orange County Fire Chiefs' Association is shown welcoming Chief James Sims, center, of the Placentia Fire Department as the group's president for 1971. Looking on is Chief H.C. Lawson, right, of the Fountain Valley Fire Department, the secretary-treasurer for 1971. Not shown is Chief John Marshall, Costa Mesa Fire Department, the vice president.

Planning Commission OK's Parkinson Signing Variance

PLACENTIA — The Planning Commission approved a variance sought by Parkinson Volkswagen to add an additional 10 feet to an existing 24-foot sign on Yorba Linda Boulevard by a four to one vote at its meeting last Tuesday evening.

Parkinson claimed that the sign as it existed did not allow enough visibility to traffic coming west along Yorba Linda Boulevard and was much smaller than signs allowed other businesses along the street.

Commissioners also approved site development plans for the upgrading of a service station at the northeast corner of Lincoln Street and Orangethorpe Avenue in Atwood, and agreed to the abandonment of a small portion of Palm Drive west of Placentia Avenue no longer needed for public access.

Commissioners also approved in principal plans for the construction of a snack shop by the Placentia Little League at

Tuffree Hill Park. The building will be donated to the city.

Chamber Sets Speech About Credit Fraud

PLACENTIA — Dan Martin, special investigator for the Bank of America, credit department, will be the speaker at the February 21 meeting of the Board of Directors of the Placentia Chamber of Commerce.

Lloyd Wilbur, first vice president of B of A, will present the speaker. As his topic Martin has "Credit Card Fraud." The monthly luncheons are a no-host type, held at the Alta Vista Country Club at 12 noon.

A question and answer period will follow the talk, according to Mrs. Jeri Dunskey, secretary-manager of the Chamber of Commerce. She states that the business agenda will be short in order to give more time for the speaker. Martin has been speaker at a number of C of C meetings, as well as other organizations, said Mrs. Dunskey.

PUSD Board To Meet At El Dorado

PLACENTIA—The next meeting of the Placentia Unified School District Board of Trustees will be held in the El Dorado High School Lecture Hall at 7:45 p.m. Monday.

A public hearing will be held to explain the problems between the board and teachers. The public is invited to attend.

YL Council Orders Study Of Annexing Eastern Area

YORBA LINDA — Preliminary studies into the possibility of annexing county areas west of the Locke Ranch and north of the Imperial Freeway in the Yorba Linda Country Club area to the city were ordered by the City Council at its regular meeting Monday evening.

City staff members will determine assessed valuation in the area and put out preliminary feelers to determine the attitude of the people living in the area towards annexation to the city.

Another area to be studied for annexation is the area around Glenknoll School south to Esperanza Road which was narrowly defeated for annexation last year.

In other action councilmen denied without prejudice an application for a zone change by Ralph W. Solesbee for property at Second Street and Pacific from A1 (0) to C-2. Solesbee proposed placing a body shop on the property.

The council appointed Barbara Dueker and Celia Skudris to fill two newly created positions on the Traffic Committee.

Councilmen directed the staff to ask Placentia to add the widening of Yorba Linda

Boulevard west of Rose Drive to Placentia's AHFP project this year so the highway would be widened to two lanes from Imperial Highway west to Bradford Avenue when completed.

Gold Medal Award Won By Idaho

PLACENTIA—The city was notified last week that the Lewiston-Clarkston Parks and Recreation Department in Idaho had been awarded the 1970 Gold Medal Award by the Sports Foundation, Inc.

Placentia was recently named a finalist for the award and competed with the winners for it. The city presentation was prepared with mostly volunteer labor with artist Paul Marshall doing the drawing and photographer Raymond Pound doing the color pictures.

The major part of the exhibit was taken back to Chicago for the judging by city administrative assistant Fred Lamb.

Commission Approves Condominium Ordinance

PLACENTIA — The Planning Commission approved an amendment to the Municipal Code revising the planned development district to create a residential planned unit development district designed exclusively for condominium or individually owned units whether multiple or single family.

The ordinance was created following difficulties in applying the R-G (garden apartment)

district to condominium developments and is specifically designed for such condominiums.

The district is intended to be applied to any residential zone. It indicates a standard and maximum number of units per acre. Standard in apartment zones is 10 units per acre with a maximum of 12. The amendment now goes to the City Council for final approval.

Congressman Wiggins Speaks To Community Representatives

PLACENTIA — Congressman Charles E. Wiggins of the 25th District was greeted by 32 representatives of Placentia and Yorba Linda Wednesday at a 7:30 a.m. breakfast at the Alta Vista Country Club.

Wiggins expounded on the pros and cons, and what the future might hold when the 18, 19 and 20-year-old persons exercise the right to vote. He cited figures of what the potential vote could be; reviewed the Supreme Court decision about the literacy test for voters (now abandoned by court order); discussed the various state requirements for right to vote, and touched in length on the welfare program, intimating that an overall nation wide grant to welfare recipients to avoid a recipient moving from one state to another to gain larger amounts

should be considered. States in which greater welfare benefits are paid would be greatly helped, he stated.

The question and answer period brought out the fact, that in his opinion, employment was already starting to rise in Orange County, and that although there would be more employment, an inflationary spiral would prevail.

Although the Congressman is a Republican he condoned many aspects of the President's policies now in existence and being considered by him. The social security package, said Wiggins, will include the clause where no deduction of pension from other sources can be made. Placentia Mayor Robert Finnell acted as host and presented the Congressman.

Board Discusses Special Education

A presentation of current elementary school projects along with discussions on junior high activities and special education made up the agenda of last Thursday's Yorba Linda School Board meeting.

Charles Hammond, principal of Rose Drive Elementary, introduced members of the school's third and sixth grades who presented short speeches on projects which they had recently completed.

Among the exhibits on display at the meeting were drawings of microscopic animals, sea life, plans for anti-pollution machines, sand-painting, reports on drug abuse, a detailed Mexican village and silver mine, and creative writing done by the students.

Three gifts were accepted by the board including a

Wollensak Listening Post from the Nixon PTA; the Rotary club's offer to paint the exterior of the Nixon house; and a Monterey pine tree from Mr. and Mrs. C.R. Huffman to be planted at Yorba Linda Junior High in memory of their son Dennis who was killed in a recent accident.

Don Anderson, coordinator of the district's special services and education program, presented an analysis of the current program with suggestions for future improvement.

Within the confines of the district approximately 10 students from fourth to sixth grade are enrolled in the Educationally Mentally Retarded program. The number of students involved with the district speech program at any given time is

variable but usually numbers around ninety.

Most of the students are placed outside the Yorba Linda area in development centers for severely handicapped or partially handicapped children.

Recommendations for the future included a primary and junior high class for the educationally handicapped and a junior high EMR class for students felt to be unable to adapt to a regular program from the elementary level class. A class for the multi-handicapped child was also listed as desirable.

A brief evaluation of the junior high's program of extracurricular activities was given by Harold Hester and his staff from Yorba Linda Junior High School. The board expressed a concern about the program arising from the cutback in funds due to the failure of the tax override.

Hester felt the program was very successful in cutting down vandalism and promoting school spirit. Activities included a noon sports program, dances, after-school sports and special contest days, such as Sadie Hawkins' day.

Department Limits Days For License

Chief of Police N.A. Traub announced recently that the Placentia Police Department changed its bicycle licensing procedure this month.

Commencing on Saturday, January 16, the licensing of Bicycles is held on Saturdays only from 10 a.m. to 2 p.m.

The licenses may be obtained at the Placentia Police Department, 120 S. Bradford. The department will be assisted by the Placentia Police Explorer Scout Post 910, in issuing the permanent licenses which will remain at the minimal price of \$.25.

The importance of licensing bicycles should not be overlooked, according to Officer Darryl Thomann, Bicycle Safety Officer, who states that the licenses assist in the return of stolen bicycles that otherwise would be sold at auction because of the inability to notify the owners of the recovery.

March Of Dimes Releases Plans

Golden school committee members assisting in the Mothers March of Dimes held triple Tupperware parties with 15 per cent of all sales going to the March of Dimes.

Mrs. Eldon Riehm, 1002 East Bastanchury, Placentia, entertained on the evening of January 5; Mrs. Marget Longeway, 801 Brooklyn Ave., Placentia on January 6; and Mrs. Harold Rees, 2096 Spahn Lane, Placentia on January 7.

On January 31 a Rubella Round-up clinic which was co-sponsored by the Orange County Medical Association and the Orange County Department of Public Health will be held at the

Valencia and El Dorado High Schools. The clinic hours will be from 10 a.m. to 4 p.m.

Mrs. Marnell Chenoweth, 512 Wilson Circle, Placentia, Chairman for the Mothers' March which will take place on January 22 thru the 26th, announces that 40 volunteer mothers will take part in the march. The information offered by the marchers will be three-fold in determining (1) How many children, between ages 1 and 12, have not been immunized, (2) inform parents of the need for the vaccine, and (3) inform parents of the time and place of the clinic.

The Year of the Fizz For Indigestion Generation

1970 could be called the year of the fizz.

At least on television it was. We saw pie-eating contestants, the gang at the

Dr. Donald Brinkley

office, faceless and nameless stomachs, and a long list of other TV commercial subjects all happily finding relief to their prob-

lem with fizzing antacids.

"Frankly," said Dr. Don Brinkley, of the Brinkley Chiropractic Offices, "I get just as nervous as those TV commercials when I meet a fellow who virtually lives on antacids."

"What are we in?" The indigestion generation?

"I wonder whether people realize that when they gulp something to calm an upset stomach they're doing nothing about the cause of their problem."

NTP is the problem, according to Dr. Brinkley. Nerves, Tension, Pressure.

"And believe me there's something that should be done about it," says Dr. Brinkley.

He says that people who find that the everyday stresses of modern life cause severe heartburn and overacidity are correct in

their assumption that it's nervous tension and pressure that is causing the problem.

"But they are incorrect in assuming that their only hope is to lessen the upset," says the good doctor.

"You don't move next to a fire station to prevent a home fire," reasons Dr. Brinkley. "You keep your house clean and guard against combustibles. Well, the same thing applies to your system."

If you find you're being victimized by overacidity, sleepless nights, etc., you'd be well advised to seek effective treatment before you're faced with ulcers, insomnia or a severe nervous condition.

"Why don't you write 'action' on a piece of tape and wrap it around your antacid bottle," says Dr. Brinkley. "And the next time you reach for that stuff make a firm promise to yourself to get in and get on with the job of correcting the problem at its source."

And don't wait so long that your cup of health runneth over.

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

Senior Citizens Cards From VHS Available

Senior citizens of Placentia who are holders of a special card permitting them to attend all Valencia High School functions free of charge, need not have them renewed, according to Will Waite, assistant administrator.

Any senior citizen who desires a pass card may obtain one at the high school office. With the basketball season in full

swing and many other interesting events planned for the coming semester, Mr. Waite stated he hoped those senior citizens not now possessing a card would either come in person or call the high school office and request one. "We welcome them, their interest in our young students activities, and hope they will be a part of our school work," said Waite.

Nixon PTA Examines District Unification

Schools, much in the conversation of concerned parents, will be the topic of discussion in the forthcoming program Tuesday, January 26, 7:30 p.m. at the Richard Nixon auditorium.

More specifically, the Yorba Linda School District, in compliance with

the state law, must file its intentions this fall to remain or not to remain in its present configuration.

The Richard Nixon P.T.A. will present Dr. Sterling Fox, district superintendent of schools and Elton Patridge, district business manager, who will describe the alternate avenues such as realignment with another district, a 12-month school year, and others. Refreshments will follow the meeting.

Speaker Scheduled For PTA

A special guest speaker will discuss the pollution problem at the Tuffree Intermediate School PTA meeting, Tuesday, January 26 at 7:30 p.m.

A special part of the meeting will be the presentation of the Honorary Service Award.

Letters To The Editor

Schools To the Editor:

There's a slogan that's currently being bandied about in the Placentia Unified School District: "The education of our children comes first." Each faction declares this to be their primary concern.

Maybe we're not working with the correct premise. I propose that the proper conditions and environment must first prevail so that we can then make the education of our children the most important thing on everybody's agenda.

Why don't we adopt this more realistic frame of reference and deal with our problems in the proper sequence.

Clearing Bureau

Dear News-Times Staff:

The support the News-Times gave the Christmas Clearing Bureau this year is gratefully acknowledged. The \$50.00 donation from the employees, and the articles which appeared in several issues, reflected a concern for this community project which was sincerely appreciated.

Mrs. S.E. Cunningham
Chairman

Prisoners

To the Editor:

I am writing this letter to appeal to the humanitarian feelings of all people who may read this publication. The cause which should unite all Americans is the inhuman plight of our servicemen held prisoner by the enemy in North Vietnam. This cause has nothing to do with the merits of war, but rather seeks justice under international law for these helpless men and their families.

There are over 1600 United States servicemen classified as prisoners of war or missing in action in Vietnam, and yet North Vietnam claims to hold only 335 P.O.W.s. According to the Geneva Convention, which they signed, the North Vietnamese must publish a list of all prisoners, release the sick and wounded, and allow a regular flow of mail, food, and comfort items to the prisoners from their

families. The North Vietnamese are not abiding by this agreement, and they have openly flaunted it. The only way the North Vietnam government can be swayed is by American citizens exercising their power of public opinion.

Persons reading this letter can aid this cause by writing letters to involved government officials. Letters should be written expressing your views of the treatment being given our prisoners of war. Letters should be written to Ton Duc Thang or Phan Van Dong, Office of the President, Democratic Republic of Vietnam, Hanoi, North Vietnam. (Minimum postage is 25 cents, no zip code is necessary.) Letters may also be written to your congressmen, the Secretary of Defense, and the President of the United States.

I hope that all who read this letter will feel compassion for these men and their families and will write a letter expressing this

feeling. This cause is truly the greatest humanitarian movement of this decade and should not be overlooked by any American citizen!

VHS Shares League Lead After Victories

Friday evening at 8 p.m. cross-town rivals El Dorado and Valencia will meet in a crucial contest for both clubs in El Dorado's gym.

A tiger win would brighten the teams chances for a CIF spot and an El Dorado loss can probably knock them out of contention since they have suffered one league loss already.

The Tigers starting quintet will be guards Sergio Echevaria, (shooting a blistering 54 per cent from the field and averaging 18.5 points a game in league play) and Ricky Garcia (14.9) is the floor leader and usually is moving when the Tigers will be moving.

Center Ross McCrae (showing improvement during every game), Jim Cordry and jumping jack Jerry Marmelejo handle the Tiger's rebounding chores. Craig Caldwell coming off the bench is scoring 9.9 points a game and gives the team a needed spark, in relief.

Coach Bob Hamblin's two platoon system, has seen plenty of action and leading the second unit is Bob Putman (a starter on last years team is just beginning to come around this year, Mickey Day, John Roth, Albert Zamora and Allen Perry other second unit players.

The second unit usually

runs Valencia's number one play real well, the press. They usually run the opposition farther into the ground and usually give the squad a psychological lift. Valencia opened league play by ripping Laguna Beach 87-67. Sergio Echevaria popping in 18 to 20 footers all night led the Tiger charge.

Echevaria hit 8 of his first 10 shots to practically off set the beach boys himself.

The Valencia press caused turnover after turnover setting up easy Tiger scores.

Echevaria hit 12 points in the second quarter and 8 in the third period.

Jerry Marmelejo scored 12, Garcia and Caldwell added 10 each.

The Tiger's second win almost was identical to the first with only two exceptions. The loser was Saddleback and the hot hand went to Ricky Garcia who scored 19.

The Roadrunners closed to within 5 with 2:08 remaining in the half but 2 consecutive Marmelejo steals were turned into Echevaria baskets and the Tigers were out in front again.

The beginning of the second half Garcia, Marmelejo, Caldwell and Echevaria went to work and aroused the Roadrunners so much they boosted their lead to 13 points within a couple of minutes.

The Tigers host Brea Olinda on Tuesday, January 26 with the tip off slated for 7 p.m.

El Dorado player goes up for two points during loss to Sonora High in basketball contest Friday night.

El Dorado Blasted By Sonora Raiders

El Dorado will host Valencia Friday night in a battle for second place and a CIF berth.

After beating Saddleback 86-51, the Hawks were bombed by league leaders Sonora, 98-66.

With star forward Bob DeWeese sick, the Raiders had an easy time stopping El Dorado's outside shooting. DeWeese, missing

about a quarter and a half, still managed 14 points as did center Bill Willis.

Starting off fast, 12-5 the Hawks looked real good at the start. However Sonora settled down and their press took its toll as the Raiders led 51-26 at half time. Coach Rivers claimed, "It was kind of strange that the refs called 18 fouls on us in the first half and none on them."

FJC Plays Cerritos In Crucial

Fullerton Junior College battles it out for the first place in the South Coast Conference against Cerritos J.C. this Saturday night at 8 in the Fullerton gym.

Top leading scorer in the Conference, Sophomore Ev Fopma (25.2) has been the main key for the Falcons bid for a Conference championship.

The Hornets, ranked third in the state and carrying a 18-3 mark into this crucial contest, have the number 3 and 4 scorers in the South Coast, guards Steve Chidley (20.7) and Rick Aberregg (20.0).

The two sharpshooters

have accounted for over half (163 out of the 304 points) the points the Hornets scored in Conference play.

Bill Boyd (11.0) and top rebounder on the team, 6'8" Phil Carlile and Gary Berg will have their hands full as they have the honors to try to top the Soph sensation.

The three inside men have done a good job getting the ball off the defensive boards to Chidley or Aberregg for the Hornet fast break.

The Hornets scored two South Coast wins on the road last week defeating San Diego City and Mt San Antonio 76-68.

Fullerton pulled away from San Diego in the second half with Chidley leading the charge ripping open San Diego's zone defense for 18 points.

Chidley finished the evening with 29 points.

Against Mt Sac it was Aberreggs turn to be the star hitting 9 of 12 shots from the field scoring 28 points.

El Dorado, Valencia Play In League Contest At ED

El Dorado's Junior Varsity will play Valencia at home Friday night.

As in the Varsity competition, Valencia, El Dorado, and Sonora are the top contenders for the Orange League Championship.

Last Friday the Hawks lost a close battle to Sonora, 65-54. In that game Ronnie Castillo and Tony Madau led

the team with 18 and 12 points. John Jesmont contributed 11 in a losing effort.

Opening the league against Saddleback, El Dorado jumped into first place with a 69-56 victory. Madau had 18 as big men, Dave Roy and Bruce Osterstrom scored 12 and 10 points.

Troy Defeats Savanna To Take First Place

The Troy Warriors, led by Mark Wulfemeyer's career high of 32 points, held off a Savanna upset bid to take sole possession of first place by virtue of a 75-73 victory in the losers' gym Friday night.

A large crowd of Troy rooters filled the gym and whooped and hollered as neither team was able to build up any sort of lead. The first half ended tied at 42-42 and was marred by numerous fouls and traveling violations.

Troy came out cold in the second half and trailed by 3 at the end of the third stanza. Late in the 4th period, Mark Wulfemeyer rallied the Warriors as he scored Troy's last 10 points.

Todd Allen, playing center in place of Greg Huysman, who had the flu, scored 18 points. Mick Rabel added 17 for the winners.

On the previous Tuesday afternoon, the Warriors thwarted another upset try, this time by the lowly Kennedy Irish. Troy played without Huysman and Dave Lingenfelder and were noticeably hurt on the boards. Wulfemeyer poured in 23 and Todd Allen had 19.

Before the Kennedy game, the Warriors learned that they had been moved up from number 24 to number 6 in the CIF 4-A rankings. Troy's record is now 4-0 in league play and 13-2 overall.

CSF Beats Riverside To Take First Place

Cal State Fullerton is sitting alone in first place and is the only remaining unbeaten team in the California Collegiate Athletic Association with a 2-0 record after the first week of play.

The Titans beat defending champion and CCAA favorite UC Riverside 84-80 on Saturday night and Cal Poly Pomona 96-83 in the opener of the conference Friday evening.

The win against Cal Poly was Cal States ninth straight setting a new school record.

CSF led most of the way against Cal Poly as they were only threatened once in the second half when the lead closed to 48-46 with 16:20 to play.

Two field goals by Tim Amberry, two pointers from Art Jones, Edgar Cheltenham and Craig Childress, a Cal Poly score, sent Fullerton ahead 59-48.

Cheltenham scored 25 points (9 for 15 from the field) and Tony Roudriguez popped in 24.

Art Jones and super sub Mark Ramsey combined for over half of the Titans points in the first half.

Jones scored 13 (17 for the night) and Ramsey 10

(11 for the night) to garner 23 of the 45 points.

The Titans, the following night beat a good U.C. Riverside team with consistent shooting from Tony Roudriguez, scoring 23 points.

After leading in the early moments of the game Riverside finally took a lead again 68-66 with less than 6 minutes to play.

Both clubs exchanged baskets and finally tied it up at 76-76 before Roudriguez and Ramsey slammed in two buckets to give CSF the lead for good.

Cal State then went into a stall, but threw the ball away. Sam Cash, 6'8", leading rebounder in the nation last year then put in 2 points after coming down with carom. Roudriguez missed a charity shot but cool Art Jones like in past games was fouled and put in the clinching points for the win.

Jones scored 16 points and Tim Amberry bagged 15. Steve Gergets hit 11 points in relief.

Cal State does not get back into CCAA action until January 29, meeting San Luis Obispo and January 30 against San Fernando Valley State.

Three Valencia Junior Teams Top Saddleback

Victors in all three divisions, Valencia's junior varsity, sophomore, and freshmen teams found Saddleback an easy foe.

Coach Gary Jones' junior varsity squad totalled 77 points against the Roadrunners' 34 and enjoyed at least a 20 point margin throughout the entire game, and in the finale boasted a 43 point lead.

Teamwork seemed to be the key to winning as ten of the crew made the scoring column. High pointer for

the Tigers was junior Ron Severson with 19 points and following close behind was Scott Smith's 17, and Mike Ozima's 16.

Sophomore cag prevailed once again as the Roadrunners proved to be easy prey. The final tally came to 50-21.

Coach Dal Dessecker commented, "The team is really improving. I'm hopeful in the outcome of the league race."

The frosh cagers gave the fans quite a thrill as they nipped Saddleback 23-22.

YL Little League Opens Loop For Older Boys

The Yorba Linda Little League is adding a senior league and a big league to the present structure, expanding the program to cover boys from ages 8 to 18.

The senior league will serve boys ages 13 to 15 and the big league will serve boys ages 16 to 18. Both the new leagues will be open to boys from Placentia and East Fullerton as well as Yorba Linda.

Sign-ups for boys to play in any of these leagues will

be held at Richard Nixon School on Saturday, February 6 and 13 from 9 a.m. to 4 p.m.

All boys must be accompanied by their parents, a birth certificate, and the \$20 registration donation. For each additional boy in each family the fee is \$5.

The league also announced that plans are now underway to provide lighted playing fields for night games.

Parents wishing to

become part of the organization should contact John Genevay at 528-0050.

Tuffree 8th Grade Beats Ladera For Sixth Victory

The Tuffree Intermediate School Eighth Grade Falcons defeated Ladera Vista Intermediate School of Fullerton Thursday afternoon 49-43 for their sixth straight victory.

Bob Farra and Jeff Vizenor scored 13 points

each for the victors while Kevin Heenen added 10 and Eric Sherbeck put in nine. Rick Widdowson pulled down 15 rebounds.

The Falcons met Wilshire Intermediate School Thursday at 3:15 there.

Parents of all boys who expect to play Little League baseball in Placentia this year are invited to an open meeting at 7:30 p.m., Monday, January 25 at the El Dorado High School library. League officers will be there to explain playing rules, the 1971 baseball program, and answer all questions.

"Any boy born between August 1, 1958 and August 1, 1963—and who lives within league boundaries—is eligible to play this year," said League President Steve March. "We had 540 boys in Placentia Little League last year, and expect more this year. This meeting is a good opportunity to get answers to any questions about Little League—especially for those whose boys will be playing for the first time."

Also, at this meeting

applications will be accepted for some remaining openings for managers, coaches, and umpires. A description of League boundaries and eligibility requirements is also included in the evening's program.

Registration this year will be held on two Saturdays—January 30 and February 6—from 10 a.m. to 2 p.m., and Thursday evening February 4, from 7 to 9 p.m. at the Backs building in Kraemer Park.

Wrestlers Host Saddleback After Falling To Santiago

Tiger growls and Roadrunner beeps will certainly be audible as the Tiger wrestlers host Saddleback tomorrow for the first Orange league match. The contest is scheduled to begin at 6 p.m.

In last week's bout with Santiago, the Tigers suffered a tough 38-18 defeat. The Cavaliers proved too much for the Tigers as only four members scored. A highlight

of the match was that three out of four of those scores came with pins. Ken Sarkis, Reid Geotische, and Ed Sauls pinned their opponents while Larry Lopez won by decision.

Coach Gene Baker has been working his boys hard for the initial league match tomorrow. Valencia will be entering the Fullerton Junior College tournament this Saturday.

ED Grapplers Fall To Saddleback Team

Tomorrow El Dorado's Wrestlers will travel to Sonora to try for their first league win.

El Dorado placed way ahead of Senora in the Valencia Tournament so they are hoping for a victory.

Losing narrowly to Saddleback last Thursday, the grapplers are going to need three wins in a row to tie for first place in the Orange League. The Hawks started out by winning three of the first four matches against the Roadrunners, but then lost three in a row, two being pins. (A pin is worth five points as a decision is worth only three.)

The final outcome was 26-20 as Steve Hyams, Danny Mann, Larry

Finkelstein, Paul Cooper, Jeff Johnson, and Don Mann won on decisions. Tom Smith tied with his opponent.

Pony-Colt Signups Scheduled

Boys between the ages of 13 and 16 may register to play in the Placentia-Yorba Linda Pony-Colt League on Saturday, January 23 from 9 a.m. to 4 p.m.

Four centers for registration have been set up. They are the Backs Building in Kraemer Park, El Dorado High School main entrance, Chester Whitten Building in McFadden Park, and Yorba Linda Junior High School main entrance.

The fee per boy is \$15 with no family paying more than \$20.

Valencia Swimmers Prepare For Season

Valencia swimmers are undergoing tough workouts these days as they prepare for the Valencia Invitational swim relays to be held Saturday, February 6.

Action continues that week as the Tigers enter the CIF relays scheduled for Tuesday, February 9 and Friday, February 12. In 1970 several relay teams from VHS went on to final competitions. CIF finals will be held at the Belmont plaza olympic pool.

Tiger tankers are presently swimming up to three miles a day. Coach Jim Lock commented that he is very pleased with how well the team is coming along and he is optimistic of their chances in winning the six-team Orange league race.

Returning letterman, John Quintana, will be

Brownie Troop Makes Bibs For Mon Ami

Little fingers, busy with needle and thread, have been working with enthusiasm the past few weeks on completing a special community service project.

Brownie Troop 305 of Placentia, under the leadership of Mrs. Phillip Borst, has embroidered bibs with various designs of lambs, ducks and kittens and will be donating them to the babies under foster care of Children's Home Society.

The Brownies, along with Mrs. Richard Jensen, Vice President of Mon Ami Auxiliary of Children's Home Society, will be presenting the bibs to the Santa Ana office of Children's Home Society on January 20. This field trip will also include a tour of the offices of the Society's Orange County Headquarters.

Children's Home Society

is the largest voluntary adoption agency in California and is supported by private funds. Believing in every child's inherent right to a home and parents of his own, the Society serves children needing foster care, unwed parents, and couples wishing to adopt.

Shinn Goes To Houston

T.A. Shinn, local home construction engineer, and member of the Board of Directors of the Placentia Chamber of Commerce, left Friday, January 15, for Houston, Texas. Shinn is attending the National Association of Home Builders for its annual Board of Directors and Product Show. He will return to Placentia January 21.

Mon Ami President Mrs. Paul Oberle accepts bibs made by members of Brownie Troop 305 during the past few months.

Boys Club Receives Donation Of Labor

Boy's Club officials announced today that Building and Construction Trades Council of Orange County, located in Santa Ana, has endorsed the Boy's Club building project, and that member organizations will be able to pledge donated labor toward the construction of the new Boys' Club.

The Orange County Electricians Union has pledged all the necessary man hours to complete the electrical work on the new facility. The pledge was coordinated by Mr. Vic

Stein, owner of Vic Stein Electric located on Melrose Avenue.

The new facility, which will be located at 132 East Crowther, is a 15,000 square foot facility which will soon be serving over 1000 boy members from throughout the City. Architect on the project is Oscar W. Louderback, AIA, who has donated a substantial part of his services.

Ralph Crosswhite, local general contractor and member of the Boys' Club Building Committee, will construct the building with the assistance of donated labor from a variety of sources including the Labor Organizations throughout Orange County. Crosswhite's supervision of construction is on a donated basis.

Currently the Boys' Club building Committee is continuing its search for donated materials, especially the over 14,000 concrete blocks which will be used for the building walls. There is also a urgent need for plumbing pipe and electrical conduit which will be used in the initial phase of construction.

Total cost estimates for the new facility run slightly over a quarter of a million dollars.

Officials Attend Seminar

Mrs. Larry McKnight of the local AAUW chapter presents ecology flannelboard to John Anello of the Placentia Unified School District.

AAUW Forms Ecology Boards For Students

Making ecology flannelboards to present to students in the Placentia Plus program is a major project of one study/action section of the Placentia-Yorba Linda Branch of the American Association of University Women.

"This Beleagured Earth, Can Man Survive?" is the topic of a study group under the leadership of Mrs. John Bednarski which has been working on environmental problems and the various solutions to the major ecological threats facing man today.

Stout Suspended As Coach

The following statement was released today by Dr. Dave Tansey, Principal, Valencia High School. "There has been an infraction of the C.I.F. rules which prohibit practice of the varsity football team during the 'conditioning period' prior to the opening of regular practice. The infraction occurred prior to the opening of school in August 1970. As a result of this action, the head varsity football coach, Mr. Dave Stout, has been relieved from coaching assignments for a period of one year beginning January 11, 1971, and ending January 11, 1972. Stout will continue with his regular teaching assignment during this period.

"There has been no decisions made regarding the assignment of a head varsity football coach for the 1971-72 school year."

Valencia Journalists Top Hawk Writers In Contest

Valencia's El Tigre staff defeated their cross-town rivals for the first time Saturday in the fourth annual PUSD on-the-spot writing contest.

Accumulating a total score of 46 points to the Hawk's 38, the Tigers won two of the four first place trophies along with the sweepstakes award.

Novice Vicki Jones of Valencia placed first in the sports category followed by Joe Barrese of El Dorado with second. Other winners included Doug Clark, third, VHS; Dan Filie, fourth, ED; Elliott Almond, fifth, ED; and Diana Marshall sixth, VHS.

In the features category El Dorado's Diane Savino took first followed by Barbara Bennett of Valencia. The Tiger writers dominated the division with third, fifth and sixth place going to Sandy Stinnett, Celia Castillo, and Kevin Howard respectively. Fourth place went to Pat Vail of EDHS.

Another Valencia first-timer, Janet Thomas, came away with a first place trophy, this one in

editorials. She was followed by Mark Casolari of El Dorado with second place and Carol Kopeny of Valencia with third. Fourth place went to Vicki Norton and fifth to Janet Holliday, both of Valencia. A sixth place certificate was awarded to Alex Jackson of El Dorado.

Art Bauereiss took first in

the news division followed by a fellow El Dorado staffer Margaret Storil with second. Third and fourth place certificates went to Rosemary Vargas and Chris Roberts of Valencia. Hawk writer Debby Greener was awarded fifth place with Rochelle Kessler of Valencia taking sixth.

Miss Judy Jurek of Chapman college gave a

presentation on the World Campus Afloat program for writers in the news, feature and editorial categories while a small fry basketball game was the topic of the sports presentation.

Members of Valencia's Chicano Student Union served a luncheon consisting of beans, rice, tacos, salad and enchiladas which was prepared by club members.

Christian Club Sees Ceramics

The Yorba Linda-Placentia Christian Women's Club presented a bouquet of entertainment and inspiration on January 11 at 11:45 a.m. at the Alta Vista Country Club, 777 Alta Vista Ave., Placentia.

For the special feature of the luncheon, Mrs. Octavia Payne, an experienced china painter, brought many unusual pieces of china from her collection. She also donated a hand painted china plate for a hostess gift.

The speaker for the luncheon was Mrs. Martha White from Diamond Bar. She is the mother of two boys and the wife of a pastor. Her message was "Can God Perform a Miracle in 1970?"

Jaycee Week To Be Celebrated By Locals

January 17-23 is being observed as Jaycee Week, announced Bernie Radza, President of the Placentia Jaycees. This week is reserved each year to focus attention of the founding of Jaycees. As a service organization they are traditionally involved with both community and personal development programs.

The Jaycees were founded in 1915 when Henry Giessenbier saw a need for a young men's civic group. The movement spread rapidly and in 1920 the U.S. Junior Chamber of Commerce was formed with 24 cities represented.

The Placentia Jaycees were formed this same week in 1965. The name of the national organization was changed to the U.S. Jaycees in 1965.

Founding celebrations will culminate in a membership breakfast on Saturday, January 23. Young men between the ages of 21 and 35 wishing to learn more about the Jaycee movement are invited to attend. The breakfast will be held at Howard Johnson's Restaurant in Fullerton starting at 9:30 a.m. For more information contact Bruce Yoakum at 528-9639.

New Jack La Lanne Spa To Open In Orangefair

Five familiar words being seen more and more throughout Southern California these days, are Jack La Lanne's European Health Spa.

The latest of these is to be opened this month in Fullerton. For months now, construction has been underway at a spot in Fullerton's Orange Fair Mall and finishing touches are expected to be completed this week for the planned Grand Opening scheduled to be held on January 22nd, 23d and 24th.

This spa, as with the many other spas throughout Southern California, will display the dramatic Grecian decor that has come to be associated with the Jack La Lanne European Health Spas. Within this decor, extensive health and exercise, as well as recreational facilities will be available.

A partial list of these includes; a near Olympic sized swimming pool for fun and relaxation, a large circular pool of bubbling swirling heated water known as a Hot Hydro Whirlpool for relaxing muscle tension, a Finnish

Sauna, a European health facility that is rapidly growing in favor in this country, a Roman Steam Bath, Bronze Sun Tan Booths for a year-around tan, Beauty Sun Ray Booths, complete health clubs for men and figure salons for women, plus numerous dressing booths and a club lounge

As usual with most of the Jack La Lanne clubs, the announcement of a new opening brings immediate requests for reservations from the public. The club has announced it is happy to oblige new member enrollment as long as there is sufficient room to accommodate them.

The new club in Orange Fair Mall will be open daily following the grand opening from 10:00 a.m., including the days of the Grand Opening which will be held January 22nd, 23rd and 24th.

Faith Baptist Church To Change Schedules

The Yorba Linda Faith Baptist Church has announced that the schedule of services on Sunday evenings will be changed beginning on Sunday, January 24.

William Ball To Serve As Assistant Minister

The Yorba Linda Church of Christ has announced that they have called a new associate minister, William Ball, Jr. Ball and his wife Kathy were recently attending the North Downey Church of Christ where he was serving as student minister.

Ball has attended Cal State Long Beach for the

program will now be meeting at 4:45 p.m. and the evening service will begin at 6 p.m. Following the service there will be a coffee and fellowship hour. A new men's chorus will also be meeting after the service for practice.

past four years working toward his BA. At present he is the truck rental manager for the Pepsico Truck Rental Company in Los Angeles.

The new minister's duties include preaching the Sunday evening sermon, directing youth activities and heading thy visitation program.

Unitarians To Hear Sermon On Freedom

Roy A. Ockert, minister of the Unitarian Universalist Church of Fullerton, will address his congregation on the subject "That which is freedom's self" at the 10:55 a.m. service this Sunday.

Mrs. Jane Wilson will sing "Birmingham Sunday" by Richard Farina. Mrs. Leano Gibson, church pianist will begin the program by playing selections from Gershwin's "Porgy and Bess."

The church service is held at the Faculty Club, on north State College Blvd. near Dorothy Lane. A comprehensive program for infants, children and youth is also offered during the church services.

Mr. Ockert will assess the progress made in the black freedom movement during recent months. He was one

of the three whites elected by the Black Unitarian Universalist Caucus to the domination's unique Black Affairs Council. In that capacity he became acquainted with a number of the black leaders. At 9:15 a.m. the Fellowship Forum will present a discussion of memorial and funeral societies by Allace and Robert Kuns, secretary and president respectively of the Tri-County Memorial Funeral Society. The program is being sponsored by the Women's Alliance of the church. Mrs. Carol Elliott, president of the group, will serve as Moderator of the discussion.

Fellowship Establishes Cupboard

Faith Baptist, Women's Missionary Fellowship, held their regular meeting January 12.

Quilt blocks and gauze compresses were made to fill requisitions for our foreign missionaries.

It was decided to establish a missionary cupboard with linens, kitchen items, toiletry articles, games and books in it. Visiting missionaries will be invited to select an item from it.

Eva Riggle, missionary on furlough from Peru, gave an inspiring devotional.

Carol Taylor reported on prayer requests and this was followed by prayer.

Catholics, Presbyterians Set Pulpit Exchange

In keeping with Church Unity Week, Placentia Presbyterian Church and St. Joseph Catholic Church will cooperate in a "Neighborhood Exchange" on Sunday January 24.

The 'exchange' is an outgrowth of a dialogue group which has met informally in private homes each week since last fall. The group of Catholic and Protestant laymen have used the book "Bring Us Together" as a base for discussion. The book is a joint publishing project of the Paulist Press and the Department of Education for Missions of the National Council of Churches.

At St. Joseph Church, Rev. Stanley Jones will assist with the 'readings' and speak to the congregation at

the nine o'clock mass.

At the Presbyterian Church a group of Catholic and Presbyterian laymen will cooperate in a joint dialogue sermon at the nine-thirty service.

At the Presbyterian Church, Father Norman Supanckek will address the congregation at the eleven o'clock service.

It is ten years since Pope John initiated the Second Vatican Council which has resulted in major liturgical changes in the Roman Catholic Church.

The Presbyterian Church is located at 849 North Bradford Ave., Placentia. The St. Joseph's Catholic Church is next door to the south. Both churches have served the Placentia-Yorba Linda area many years.
